Bills for Payment

Carol Barton made a motion to pay the bills presented. Wade Stoner provided the second and the motion carried.

Treasurer's Report

Gary presented the Authority had a starting balance of $22,234.71 and after expenses, we had a balance of $19,834.71. After paying tonight's bills, the ending balance is $18,688.01.

Motion made by Wade Stoner, Second by Paul Goodfellow to accept the Treasurer's report; Motion Carried

Finance Committee - Nothing to report

Engineer's Report (Jason Mash)

- The third round of bills, the final round for residential, were sent out with a due date of September 15th. We have 294 remaining for round four. Fifty eight notices were sent for unpaid.
- Commercial notices to be sent out in late 3Q, early 4Q 2026

Solicitor's Report (Lee Demosky)

- Lee met with borough solicitor Mark Sorice to discuss the draft update to the Stormwater Ordinance. No changes were suggested. Jan will coordinate advertising the change and It should be presented to the Borough Council for approval in September.

Old Business:

- Jason met with Ron to define a small first project along Bunger Street (and could tie in to Friendship Park). Estimated cost would be $200-$500K and we want to target the next round of LSA grants.
- We need to get a new/updated baseline quote for costs and services from OneGov. The Borough is interested in sharing the cost and use of the program.

New Business:

- Discussed the draft credit plan Jason suggested for various stormwater mitigation efforts. Plan to vote on it next month.

Motion to adjourn was made by Gary Riffle at 6:48 PM, second by Wade Stoner and the Motion Carried
